PUBLISHER'S NOTE:

“Light of Light” was designed to support the lighting of the Advent candles. It includes a choral opening (with opt. congregational singing) followed by a call and response litany and a reading to be recited with the lighting of each candle. At the conclusion of the candle lighting, the choir and the congregation join in with a choral response. Each weekly ceremony concludes with a closing prayer. The litanies, readings, and prayers, as well as parts for handbells and congregation, may all be reproduced. The congregational part shown above is available as a downloadable jpeg from hopepublishing.com.
