Rev. Kathy Brumbaugh

“Purchasing *Worship & Rejoice* accomplished three tasks in one. It has old and new hymnody appropriate for liturgical worship and is well indexed for the church year. It has a wealth of ‘old’ gospel favorites for less formal worship services. It also has a good selection of choruses which are useful for a congregation that may be exploring a contemporary service or wants to blend praise choruses with traditional and new hymns.”

Rev. Tim Little, Music Minister
First Baptist Church
Lumberton, North Carolina

“*Worship & Rejoice* offers an outstanding variety of hymns – old and new – that I have not found in another single volume hymnal. It is the perfect hymnal for any church that wants to include a wide range of hymns and songs in their worship.”
