Introduction

Since 1892

At times it has been difficult to find arrangements for small ensembles which are not only interesting, but highly portable (my ringers like to play in hospitals and malls, but do NOT like to carry lots of bells and equipment), sufficiently challenging for all ringers, and which allow flexibility in bell assignments. This collection is an attempt to meet those needs for my choirs and, hopefully, for yours too.

If you find this collection of hymns useable, you may wish to see **The Twelve Bells of Christmas**, Code No. 1717, a similar collection for the Christmas season.
